Inspector General's Recommendation Number 6, page 64

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

The DD/P instruct all supervisors to observe, in requesting language training, the principle that training in regular classes is the normal and most effective method, and that resort to tutorial training shall be had only in exceptional cases and where required by security considerations, unavoidable pressure of time, or other valid reason.

DD/P Comment

✓ Concur. The language requirements of the Clandestine Service are now being reviewed, as is Clandestine Service policy toward the direction and approval of specific language training. The Career Service Panels are now approving all directed language training and will further the practice of securing training through regular class attendance to the extent feasible.
